- 6 **This is where you can follow the extra Playing Fields route (8)**

PLAYING FIELDS

- 9 Turn right down footpath F20 and turn right where it comes out on Hooke Hill. Go down the hill and over the mini roundabout by the Co-Op, then along Stroud Road.
- 10 You can get back to Moa Place Car Park via the playing fields where there is children's playing equipment.

These walks have been based on the 'West Wight Pushchair Walks' published by the Isle of Wight NHS Primary Care Trust, and the Isle of Wight Council. They have been tested by parents from the West Wight Children's Centre and every effort has been made to ensure that they are suitable for families with buggies. However, they are not guaranteed to be suitable for everyone at all times and you are advised to be prepared for changes. Take care, and have fun!
