

Buggy Walks in West Wight

All walks start from Moa Place Car Park

TOTLAND · About 2 miles/3.2km long. Takes about 1 to 1½ hours.
Additional route to Totland Bay (steep hill down to the sea)

NOTE: There is a barrier here which will make it difficult for double or wide buggies unless you can lift it over. A diversion is to walk round via Princes Road and The Avenue. Turn left at Amos Hill then take T5, to rejoin the route.

10 Additional route to Totland Bay
At **4**, go straight ahead down Ward Road. At the end of the road turn left, then turn right down the road which leads to the sea (steep). You can return via Madeira Road and rejoin the route at **5**

2 mile route instructions start here

- 9** Take Spinfish Lane (F22) on your left and follow this through back to start.
- 8** At Summers Lane, turn left. Take care—no pavements.
- 7** The path comes out on another path (T5) - turn right here.
- 6** Take the path T9 which leads between houses, and follow across the field (can be muddy).

- 1** Turn right down Brookside Road and then right on Queens Road.
- 2** Turn left on Clayton Road
- 3** Go straight over and through barrier on T13. Follow this path down Colmar Way and Kendall Road until you come to The Broadway.
- 4** Turn left down The Broadway.
- 5** At the War Memorial, bear left up Weston Road then left up St Saviours Road.

These walks have been based on the 'West Wight Pushchair Walks' published by the Isle of Wight NHS Primary Care Trust, and the Isle of Wight Council. They have been tested by parents from the West Wight Children's Centre and every effort has been made to ensure that they are suitable for families with buggies. However, they are not guaranteed to be suitable for everyone at all times and you are advised to be prepared for changes. Take care, and have fun!
