

Buggy Walks in West Wight

All walks start from Moa Place Car Park

DB = Dog Bin

NOTE: There is a barrier here which will make it difficult for double or wide buggies unless you can lift it over. A diversion is to walk round via Princes Road and The Avenue. Turn left at Amos Hill then take T5, to rejoin the route.

For more walk information for the West Wight area, visit www.wwlp.co.uk

WINDMILL ROUTE · About 1½ miles/1.6km long. Takes about 45 minutes to 1 hour.
This route is largely off-road so it can be stoney and muddy.

- 1 Turn left down Brookside Road and then right on Queens Road.
- 2 Turn left down Clayton Road and follow to the end.
- 3 Go straight over Court Road and through the barrier on T13. Follow this path until you come to a crossroads with a dog bin.
- 4 Turn left, and follow track T5 keeping straight ahead, until you come out on Summers Lane.
- 5 Cross over Summers Lane and take bridleyway T5, and follow the unmade track up to Stone Wind Farm.
- 6 At the junction with T7, turn left and follow this down to Bedbury Lane.
- 7 Turn left on Bedbury Lane and walk the short distance to Summers Lane on your left, taking extreme care as there are no pavements.
- 8 Take F22 Spinfish Lane on your right, and follow this back to the start.

These walks have been based on the 'West Wight Pushchair Walks' published by the Isle of Wight NHS Primary Care Trust, and the Isle of Wight Council. They have been tested by parents from the West Wight Children's Centre and every effort has been made to ensure that they are suitable for families with buggies. However, they are not guaranteed to be suitable for everyone at all times and you are advised to be prepared for changes. Take care, and have fun!
